Pennsylvania State Association of Township Supervisors

90 Minutes Can Positively Impact the Next 10 Years!

What can your community do to make sure it receives its fair share of state and federal funding for the next 10 years? Find out how you and your organization can help spread the word about the importance of Census 2010, and of counting every person in every community across the Commonwealth. The U.S. Census Bureau, in partnership with the PA Department of Community and Economic Development and the PA Local Government Training Partnership, will be conducting four Webinars in March. The Webinars, which will be telecast statewide to Complete Count Committees, local governments, and community-based organizations, will review specific strategies, plans, and activities that can help make sure the 2010 Census is the most accurate in history. The Webinars will last 90 minutes with a significant portion devoted to participant questions and answers from U.S. Census Bureau staff.

Participants will be able to ask questions through email and/or phone calls which will be answered during the program. Questions not directly addressed during the Webinar will be answered and posted at www.palocalgovtraining.org.

In order to view this Webinar from REMOTE ACCESS, you must have a high speed Internet connection, a computer with speakers, as well as a phone or email account to use when submitting questions. If you do not have this capability, ONSITE HOST LOCATIONS are available for you to view the Webinars in a classroom setting. At each location, an onsite moderator will be present to assist with technological details.

There is no cost to participate in these Webinars, but pre-registration is required in order to receive log-in information. Please fill out the registration form on the second page of this flyer and fax it in to 717-763-9732. You may also register online at www.palocalgovtraining.org. **Please be sure to check which location and date/time you will be participating in!**

2010 Census Timeline: Key Dates

<i>Mid-March 2010</i>	Post card sent to all households announcing that Census forms will be coming soon.
<i>Mid- to Late-March</i>	Census questionnaires are mailed or delivered to households.
April 1, 2010	Census Day
<i>May – July 2010</i>	Census enumerators visit households that did not return a questionnaire by mail.
<i>December 2010</i>	By law, Census Bureau delivers population counts to the President for apportionment.
<i>March 2011</i>	By law, Census Bureau completes delivery of redistricting data to states.
